

Emery
Brothers Ltd

QUALITY POLICY

The Directors and Senior Management at Emery Brothers Limited are committed to ensuring that all company objectives are met and with providing our Clients the satisfaction of surpassing their requirements and expectations.

This will be achieved by adopting a progressively improving Company Quality Management System

Our quality management systems serve to strengthen our results, enhance employee's satisfaction and ability, and provide an open approach to overall improvement.

Emery Brothers Ltd will always take any reasonable measures to ensure the quality of its workmanship and of any products used.

All employees and sub-contractors have a moral duty not only to work in a safe manner but also to co-operate in efforts made to maintain the highest standards quality and workmanship. Any sub-standard equipment or environment should be reported without delay to the office.

All Emery Brother Ltd.'s managers and employees are responsible for maintaining the highest standards of quality throughout all undertakings of Emery Brothers Ltd.

Our Quality System provides the framework to control and monitor our activities and to continually improve our systems, products and services to customers.

All employees are updated on quality issues through courses, seminars and in house training on a regular basis.
